

**REMARKS**

This Amendment updates the Related Applications paragraph by reference to the parent patent number US 6,688,476 and also corrects a typographical error in the paragraph.

A Terminal Disclaimer based upon US 6,688,476 is attached, which overcomes the non-statutory double patenting rejection.

This case is believed to be in condition for allowance.

Allowance of claims 1 and 2 is respectfully requested.

Respectfully Submitted,

By
